

The Ballot

The following is the order of the ballot to be used in the city primary election on Tuesday, February 7:

For Mayor:
WM. R. ROGERS
W. W. CHAMBERS

For Secretary-Treasurer:
J. C. JOSEPH

For Assessor and Collector:
DAN TYSON
EBER FLINN

For City Attorney:
PAUL WEBB
B. P. MATOCHA

For City Marshal:
J. E. HOLTZCLAW
GEO. RICHARDS
B. SLOCOMB

For Alderman (vote for two):
J. F. BROWN
W. O. TRIGGS

For Chairman Executive Committee:
S. M. BURNS

For Executive Committeemen (vote for four):
HUBERT HEFLEY
J. W. COLEMAN
JUDD G. DAVIS
ELWOOD CAMMER

B. P. MATOCHA FOR CITY ATTORNEY HERE

CAMERON ATTORNEY SEEKS PLACE AS LEGAL REPRESENTATIVE OF CITY

B. P. Matocha is a candidate for city attorney subject to the action of the city primary election on February 7 and his name will be found in the proper announcement column of this issue.

Mr. Matocha has been practicing attorney in Cameron since his graduation at law and is a prominent member of the Cameron bar.

Mr. Matocha has been urged by a large number of Cameron citizens to make the race for this office and he has consented to make the canvas at the instance of the many who have solicited him to run. He promises the people, if elected, to apply his best energies, time and thought to the interest of the people in performing the duties of this office and to safeguard at all times their rights and properties.

Mr. Matocha is a native of Milam county and was reared on a farm near Cameron. He is known to every citizen here and needs no introduction. He will make an effort to see the voters and talk with them about his race but if this should prove impractical due to the limited time, he asks the vote and support of all the people on the promise of faithful and diligent service as appreciation for every consideration shown him.

Mr. Matocha is well qualified for this place in the city government and as legal advisor to the council, his services will be a big factor in the success of the government.

"An Old Fashioned Mother" Features Fine Cameron Talent

"An Old Fashioned Mother" the three act drama under auspices of the Knights of Columbus, featuring fine home talent, will be presented Wednesday evening, February 8, 1928 at the K. of C. and American Legion Hall in Cameron.

The following announcement is made for the play which will feature some of the best known amateur talent ever seen on a local stage. After the play a free dance will be given. The public is cordially invited to attend the show.

The play is a parable of a mother's love triumph over the ingratitude and neglect of her children and is arranged as a drama in three acts.

For lovers of home talent this is a real treat. The characters are not mere amateurs but are veterans of an amateur stage.

A play with a real clean Christian moral producing both laughter and tears.

The doors will open at 7 p. m. and the show starts at 8 p. m. sharp, rain or shine. An advertisement appears in this issue about the play.

Gene Smith Ill

Friends of Gene Smith will be pleased to learn that he is doing nicely in the Cameron Hospital where he was taken Monday for treatment. He expects to be able to be out in a few days.

CITY PRIMARY ELECTION ON TUESDAY FEBRUARY 7

CHAMPIONSHIP WRESTLING MATCH TUESDAY NIGHT FEBRUARY 7

CITY ELECTION HERE ON FEBRUARY 7TH

NEW CANDIDATES INCREASE INTEREST IN COMING PRIMARY

The city primary election will be held on Tuesday, February 7.

New candidates entering the races during the early part of the week has increased interest in the election.

B. P. Matocha is a candidate for city attorney against Paul Webb, incumbent; Eber Flinn is running against Dan Tyson for city assessor and collector; S. M. Burns is to be chairman of the executive committee without opposition and Hubert Hefley is a candidate for a place on this committee.

W. O. Triggs is a candidate for Alderman to succeed J. B. White who is not a candidate for re-election. Friends of Mr. Triggs placed his name on the ballot and he will have no opposition. Likewise J. F. Brown is to return to the board without opposition.

Poll tax payments in the city this year are short of the payments for 1926 but about 1100 poll taxes were paid this year and with the voters who are over age and those under age, the vote will be as large as usual, it is said.

The polls will open at eight o'clock Tuesday morning. The election will be held in the court house as usual in primary campaigns.

R. B. MAYES IS BURIED LITTLE RIVER SUNDAY

NATIVE OF MILAM COUNTY DEAD AT AGE OF 49 YEARS

Funeral services for R. B. Mayes were held Sunday afternoon at four o'clock from the family residence at Maysfield with interment in Little River Cemetery.

R. B. Mayes, 49, died at 2 p. m. Saturday January 29, 1928 following a week of illness from pneumonia. He was a native of Milam county being born and reared at Maysfield, the son of Mr. and Mrs. Bruce Mayes, pioneer residents of that community. He was born January 7, 1879.

The death of Mr. Mayes brings sorrow to the hearts of many friends and acquaintances in Milam county where he spent the days of his life, a citizen who contributed much to the progress of the county in every way.

The funeral was held from the residence with services in the Presbyterian church at Maysfield conducted by the Presbyterian minister, from Calvert assisted by Rev. H. G. Kenney of Cameron. From the church the cortege, one of the largest ever attending a funeral, accompanied the body to the cemetery at Little River where burial was made.

Deceased is survived by his widow, Mrs. R. B. Mayes who was before her marriage Miss Kittie Belle Newton of Maysfield; Helen Mayes who is now Mrs. Homer Peel, William, Lois, J. B. Mayes, three sisters, Mrs. J. H. Sapp of Cameron, Mrs. H. Hartsfield of Buckholts and Mrs. H. A. Bozeman of Lorenzo, Texas.

Pallbearers were as follows: Guy T. Newton, John C. Newton of Houston; H. G. Newton, Lamar Newton, Roy Newton, all brothers of Mrs. Mayes and Forrest Smith.

Basketball Tournament In Cameron Saturday

The Boy's Basketball tournament will be held in Cameron Saturday. The tournament advertised to be held on Friday was postponed on account of the rain. L. Van Perkins is in charge of the arrangements. On the following Saturday other games in the tournament will be held in Cameron. Both events are held under the auspices of the University Interscholastic League.

MISS LEILA WOOLLEY SEEKS RE-ELECTION

EFFICIENCY RECORD OFFERED IN RACE FOR OFFICE OF ASSESSOR

The Herald is authorized to announce the candidacy of Miss Leila Woolley for re-election to the office of Tax Assessor of Milam County, subject to the Democratic Primary, July 28, 1928.

Miss Woolley is a popular county official and is recognized as one of the best informed authorities on tax matters in the State. Prior to her election to this office, her services in the assessor's office as a deputy for several years, made it possible, by hard work and diligent application, for her to thoroughly master the details of the work, as well as to inform herself on all matters pertaining to the office. Her efficiency record is outstanding, as well as her earnest endeavor to serve the people faithfully and impartially and her courteous treatment of the public makes business dealing a real pleasure to those coming in contact with the Assessor's office.

The Tax Assessor's office is the basis of the whole financial income of the County, and is an important trust and one in which every tax payer should be vitally interested. Experience is essential to efficient conduct of the affairs at this office, to the end that each and every tax payer is given fair and just consideration, as well as to have their tax matters handled efficiently. In keeping with this record Miss Woolley asks the voters to carefully consider her candidacy and appeals to the voters of this County to retain her as their Tax Assessor, feeling that she can render them better service than ever before, and submits her candidacy for their favorable consideration, assuring them if elected that she will, if possible, serve them more efficiently and will be grateful for the opportunity.

It is Miss Woolley's intention to see every voter personally if possible, but on account of the serious condition of her invalid mother, she may not be able to make as thorough canvas of the county as she would like, but wants every voter to know that she wants their vote and influence which will be heartily appreciated.

KNIGHTS PYTHIAS TO OBSERVE ANNIVERSARY

BIG PROGRAM TO BE ARRANGED HERE FOR BIG MEET IN FEBRUARY

Knights of Pythias in Cameron are planning for a program during anniversary week in February in compliance with a proclamation issued by Supreme Chancellor Witte and a committee as follows has been named by the local lodge.

Committee on program W. O. Triggs, W. G. Gillis and Jeff Kemp. Committee on refreshments Jake Posey, Bob Dyer and Andrew Esslinger.

The program will be rendered on the night of February 19th. During the anniversary week a special class will be initiated into the order.

Realty Company Opens Offices in Cameron

The Seaboard Realty and Building Company of Houston has opened offices in the Sampson building two doors west of the Auditorium Hotel to sell lots in La Porte, Texas, known as "Houston's Outer Gateway to the World."

John C. Penn, Jr., is in charge of the local offices and is sales manager for the company in Houston.

A display advertisement in this issue explains fully the opening of the offices here and the prices and terms on the lots now being sold in the coming seaside city of Harris county.

The eyes of the world are now on Houston with its rapid development and the assembling there of the Democratic convention in June.

FINN BEATS MILLER IN GRUELLING MATCH

CHAMPION KARHUNSAARI VICTOR IN MATCH HERE ON TUESDAY NIGHT

Karhunsari won his match with Vic Miller last Tuesday night when the Oklahoma wrestler was injured after 42 minutes of gruelling battle and was unable to return to the mat at the end of the ten minute rest period.

There was considerable disappointment when the Pawhuska octopus could not finish the match. Miller was thrown over the head of the Finn and pinned to the mat. In the fall both came down with great impact and Miller lay on the mat for about three minutes before he was able to go to his dressing room. His injuries are slight and he will be seen again on the mat in Cameron soon.

At one point in the 42 minutes the men wrestled both men threw themselves out of the ring and narrowly escaped injury. The match was fast and furious with the Finn, more crafty, winning. The men, it is hoped will be seen again on the mat in Cameron.

The largest crowd ever witnessing a match in Cameron saw the Oklahoma man lose the match. Miller seemed the favorite with the fans but the great Finn was cheered as he left the ring the victor.

A feature of the program was a 5 round boxing exhibition between Joe Montana and John Dees of Milano. The stinging blows of the Milano man could not stop the Brooklyn flash and as a result took many left hooks to the jaw. Both men mixed well and the fans got a great thrill at the show.

After the five rounds Dees announced that he wanted to meet Montana again after he had prepared for the match, claiming only a few days notice before his appearance Tuesday night. Montana expressed willingness to give his opponent all necessary time and fans are looking forward to a return match here between the men.

Legion boys are preparing the ring for further exhibitions and the weeks ahead are to see some of the best boxers in the state in the ring here. Montana has been challenged by Young Blocker, a noted Texas fighter and this match is in prospect and will likely be arranged in a few days.

MAGIC CHARM, TWO ACT OPERATTA FEB 7

PUPILS OF ADA HENDERSON SCHOOL TO PRESENT BIG PROGRAM

On the night of February 7th at eight o'clock, "The Magic Charm" will be presented at the Yoe High School by pupils of the Ada Henderson Grammar school. Each year there is an effort made to accustom the school children to appearing before the public and to further their interest in music and dramatic art.

"The Magic Charm" is an operetta in two acts. The cast includes a hundred children chosen from the last four grades of the grammar school. The operetta is under the direction of Miss Lucille Peterson, teacher of Public school music and Miss Ethel Jenkins, auditorium director.

An admission charge of fifteen and twenty-five cents will be asked. The proceeds from the entertainment will be used in the music department and in the auditorium of the Ada Henderson school.

Earl Adrian to Blair

Earl K. Adrian who has been with the Santa Fe service here for a number of years, left Cameron Tuesday night to Blair, Texas, where he will take up his duties with the road as operator. Mr. Adrian has many friends in Cameron who will regret his departure but wish for him success and happiness in his new home. Mrs. Adrian and little daughter will remain in Cameron for a few weeks.

TWO MILAM SCHOOLS DECLARED STANDARD

SCHOOLS OF BUCKHOLTS AND HOYTE ARE CLASSIFIED BY STATE DEPARTMENT

F. Van Winkle of the State Department of Education has completed the work of scoring State Aid Schools and Standard Schools in Milam County. Two schools, Buckholts and Hoyte, have met all requirements for classification and will be awarded a certificate of standardization.

Buckholts is now a seven teacher school and this year has installed equipment for home economics and manual training. J. Frank Cook is principal and he is ably assisted by Mrs. J. Frank Cook, Misses Tip Mesimer, Marguerite Bass, Gladys Harris, La Verne Miller and Mr. Robert Newton, who has charge of the manual training. The trustees, T. F. Criswell, F. J. Kadlecek and E. B. Hyer are to be congratulated upon the time and thought they have devoted to the careful selection of teachers and the provisions they have made in order that their school may measure up to the best.

Hoyte is an elementary school of the first class. Miss Edith Foster and Mrs. Bert Miller have neglected nothing that could be done in order that the very best advantages should be provided for the children of this community. The trustees, Robert Conner, H. B. Pressley and Clyde Hensley are interested in every progressive movement which will better serve the school interest of all children in the district. This was the first school in the county to provide transportation for their high school children. This arrangement makes it possible for the children in the home district to have longer class periods and more thorough training in the elementary grades and at the same time the plan affords a nine months term with forty five to an hour periods for all their pupils in the high school.

Another district that has provided transportation for their high school pupils to an accredited high school is Ellison Ridge. These children have the advantages enjoyed by the pupils of first class schools and at the same time, they do not have to leave home for the training which they should have, for the school bus takes the students into Thorndale each morning and they are returned to their homes each afternoon. Other schools in the county are making similar plans for next year and surely this means a forward step in the education of the rural children of this county.

A number of schools have installed drinking fountains in the buildings this year and more attention has been paid to proper sanitation and lighting. Hoyte, Oak Hill, Friendship, Walker's Creek, and Minerva have already installed drinking fountains in their buildings. Buckholts, Gause, Val Verde and others have fountains in their yards and others will be equipped in the next few weeks.

Suit Against Local Auto Concern Being Tried in Court Here

The case of Anthony Huebner et al vs. Hubert Hefley Motor Co., et al went to trial in district court this week. The suit is for alleged personal injuries sustained by plaintiff, Anthony Huebner, when he was struck by a blow on the head by an employee of defendant while in its place of business in November, 1926. Huebner claims to have sustained serious and permanent injuries. Williams, Williams, McLean and Lincoln of Waco and Chambers and Gillis of Cameron represent plaintiff. Henderson, Kidd and Henderson, Cameron; Douglas, Carter and Black of San Antonio and E. A. Camp of Rockdale, represent defendant. Case will require all the week for trial.

It was said late Thursday that prospects were that the case would be ended about Saturday.

Mesdames J. L. Long and Jas. Watson have as their guests their sister Mrs. Ashworth Page of Eddy.

KETONEN RETURNS FOR BOUT WITH KARHUNSAARI

WILL SEEK TO WREST TITLE FROM FINN WHO WON 3 WEEKS AGO

Waino Ketonen will meet Henry Karhunsari here on Tuesday night February 7 in a return engagement in which the middleweight wrestling title will be involved.

On January 17 Ketonen lost the match here when he was injured and could not return to the mat. He left for Amarillo to keep a wrestling engagement and a telegram from Alex B. Ross, his manager at Wichita Falls Wednesday announced that Ketonen would be in Cameron for the match Tuesday night, February 7.

Ketonen is one of the best wrestlers ever seen on a mat and took the first fall from Karhunsari when they met on January 17th.

Karhunsari when the match was made began intensive training for the return match.

W. D. Bigbee, match manager for the Legion with his committee began Thursday preparing extra seats for the hall. Elevated seats which will enable spectators to see the match better are now being installed under the direction of the committee of which Mr. Bigbee is chairman.

Ketonen who met the Finn here in January made a fine impression. He is a finished wrestler and many believe he will win from the Finn here next Tuesday night.

A good preliminary program is said to be under preparation. The return match was asked for by Ketonen who is in Texas from his home in Worcester, Mass., for the winter months.

PAUL WEBB CANDIDATE FOR RE-ELECTION

ASKS RE-ELECTION TO OFFICE AND SUPPORT OF THE PEOPLE HERE

Paul Webb, city attorney in the Cameron government for a number of years, is a candidate for re-election and his announcement will be found in the proper column of this issue of the Herald.

Mr. Webb is well known to the people. The announcement that he would be a candidate to succeed himself in this office was made Wednesday morning. He asks the support of the people here for this office and that his friends over the city lend their efforts to his candidacy.

He promises if elected to give his best efforts to the duties of this office and to serve the people to the best of his ability.

Mr. Webb has been active here for several years as secretary of the chamber of commerce, as practicing attorney and in civic activities. He is a prominent member of the Cameron bar.

He is a native of North Carolina, mastered law in that state and was admitted to the bar in Milam county in 1922 when he came here to make his home.

Former San Antonio Mayor in Cameron

Former Mayor O. B. Black of San Antonio is in Cameron this week as counsel in the case of Anthony Huebner vs. Hubert Hefley Motor Company, representing the defendants in the case. With him is Judge Douglas, a member of the law firm in San Antonio.

Mr. Black was born and reared at Round Rock and a close friend of the Triggs families in Cameron.

In addition to serving as Mayor of San Antonio he was a member of the legislature from Bexar county for two terms. He retired to enter the practice of law.

Mr. Frank Beren, Mrs. Annie Beren and children, Malattie, Jerry and Krenak spent last Sunday in Cameron on the guests of Mrs. Angelina Tomasek and Miss Albana Vybriral. They also attended the dance at Buckholts.

Now Enjoys Eating Thanks His Wife

"For years I suffered with stomach trouble. Then, my wife got me to take Adlerika. Today I feel fine and eat what I like."—Wm. Opp.

Adlerika relieves stomach gas and sourness in TEN minutes. Acting on BOTH upper and lower bowel it re-

moves old maste matter you never thought was in your system. Let Adlerika give your stomach and bowels a REAL cleansing and see how much better you feel. It will surprise you. Pace Marshal Drug Co.

DR. W. B. CALDWELL
AT THE AGE OF 83

Mother! It's Cruel to "Physic" Your Child

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he did not believe that a sickening "purge" or "physic" was necessary. In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to establish natural bowel "regularity" even if the child is chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens or upsets the most deli-

cate system. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

GAS PIPING COSTS LAID BEFORE CLUB

\$35.00 FOR FIVE ROOM HOUSE
IS COST OUTLINED FOR
COMMERCIAL CLUB

Cost of piping for gas in Cameron homes was discussed at the meeting of the Commercial Club Monday.

Roll call showed the following named present: F. J. Beckerman; Frank Lesovsky, J. W. Coleman, J. D. Dobbins, J. C. Young, W. M. Cobb, F. E. Jackson, W. R. Hoover, W. H. Shipp, C. S. Peyton, B. V. Shirley, T. S. Henderson, Jr., Rev. E. S. Hutcherson and Robert Wharton.

Minutes of the previous meeting were read and approved.

Mr. Coleman reported turning the Gause road matter over to Geo. T. Graves, chairman, who had arranged a meeting for this week.

Mr. Young stated that Taylor had provided for the erection of a \$25,000 cheese factory which was to be turned over to the Kraft interests, also stated that he had visited Round Rock and found the plant starting off in fine shape.

Mr. Jackson stated that the ladies were working on the gas campaign and reported good progress. He said that 210 contracts had been signed up.

Mr. Hoover reported that Mr. Donaldson was ready to sign up if assured that the cost of piping would be reasonable. He has several tenant houses.

Robert Wharton, who had worked on the piping of Greenville, submitted a copy of the Community Gas Com-

pany's regulations for gas fitting and explained that the cost was 35 cents a foot for piping, ranging from \$17 for one opening, house close to curb, to \$30.00 to \$35.00 for ordinary five room house with 3 openings, average distance from curb line. He gave much information along this line and convinced those present that the cost was reasonable.

The secretary was instructed to arrange for a mass meeting if found necessary.

Mr. Henderson reported the renewal of the Hatchery loan, which report was submitted to the Hatchery Committee, consisting of Messrs. Coleman, Young and Lesovsky. The Secretary was authorized to pay the difference in interest rate.

Mr. McIntosh moved that Mr. Wharton and the Secretary be requested to prepare estimates of the cost of piping a 5 room, 8 room and two story house for gas and report at next meeting.

Notice to Contractors

Sealed proposals addressed to Giles L. Avriett, County Auditor will be received at the office of Giles L. Avriett until 10:00 o'clock A. M., February 16th, 1928, for furnishing all materials, equipment and labor for constructing rest rooms for Milam county.

Bidders must submit a Certified check for 5 per cent of the amount of their bid payable without recourse to Jeff T. Kemp, County Judge of Milam county, as a guarantee that bidder will enter into contract and make bond within ten days after notice of award of contract to him. Bids without required checks will not be considered.

Plans and specifications may be obtained from the county engineer upon making a deposit of \$5.00, money to be returned when plans and specifications are returned.

GILES L. AVRIETT,

WANTED—House moving, raising and leveling. All kinds of heavy hauling. Will go anywhere.
C. C. WYATT.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It
Brings Back Its Beautiful
Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

State of Texas

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

Notice of Filing Account

Estates of Decedents

The State of Texas,

To all persons interested in the Estate of Frank D. Dreher, deceased. Mrs. Myrtle Dreher, guardian has filed in the County Court of Milam County, guardian's final account in said estate and an application for discharge which will be heard at the next term of said court, commencing the first Monday in February A. D. 1928 at the Court House thereof, in the town of Cameron, Texas at which time all persons interested in said Estate may appear and contest said account, should they see proper to do so.

Herein fail not, but have you then and there before said court this writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court at Cameron, Texas, January 14th A. D. 1928.

Lilian Atkinson, Clerk,
Co., Court, Milam Co., Tex.

State of Texas

To the sheriff or any constable of Milam County, Greeting:

You are hereby commanded to summon Henry Shelton by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 20th judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said Milam county, to appear at the next regular term of the District Court of Milam

county, to be holden at the court house thereof in Cameron, on the 5th day of March, 1928, the same being the first Monday in March 1928 then and there to answer a petition filed in said court on the 30th day of January 1928, in a suit, numbered on the docket of said court No. 9933, wherein Alice Shelton is plaintiff and Henry Shelton is defendant said petition alleging: A statutory cause of action for divorce upon grounds of 3 years abandonment with intent of permanent abandonment.

Herein fail not, but have before said court on the said first day of the next term thereof, with your return thereon showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County Texas.

Given under my hand and the seal of said court, in Cameron, this the 30th day of January 1928.

Penn Wolf, Clerk,
4th District Court, Milam Co., Texas.

Escape Gas Tax Payments

State Comptroller Terrell says that between \$3,000,000 and \$4,000,000 that should accrue to the State Highway Department now escapes the State coffers because the Comptroller's Department hasn't a sufficient force to check up on dealers over the State. He states that all the large companies pay the tax but that many small dealers do not, and that these tax evaders may be found in nearly every large city. The last legislature provided for four additional men for this work, but Mr. Terrell says the force is insufficient. In most counties the tax collectors have little to do most of the year and it seems that there might be some legislative provision for county collectors or county auditors to look after so important an item of State revenue.

Insane in Texas Jails

According to R. B. Walthall of the Board of Control there are 133 insane persons confined in the jails of Texas and many more are being held in the homes of relatives because there is not room for them in the State Hospitals for the Insane. When additions to hospitals now being made are completed there will be room for 200 more patients, but until this is done in April the insane will have to stay in

the jails. This is not to the credit of the State and in the opinion of many it is also not to the State's credit that the insane and the criminal continue to procreate.

Education Prevents Crime

A district judge at Cuero recently made the statement to the grand jury that 'the greatest agency for the prevention of crime is education and the courts of the land recognize their reatest ally in the public school system.' The judge might have added with even greater truth that "education that fails to develop the moral and ethical in students is as likely to prove harmful as helpful to them." A casual reader of the papers is impressed with the fact that such a large proportion of the heinous crimes are committed by high school and college graduates with plenty of mental training but apparently wholly lacking in moral evaluations.

From Field to Home

A modern cotton gin is to be the next equipment added to the farm of the Texas Technological College at Lubbock. When this is done, Texas Technological students may study the process of cotton from the planting of the seed to its final use in the home by way of the school of agriculture, the textile mill and the home economics school—in short they may get a complete education in the growth, the manufacture and the use of cotton.

Roads for Oil Fields

The Pecos and Crane County oil fields are soon to have good roads leading to nearby shipping points. Construction has begun on a paved highway from Odessa to the Crane County fields, and the work will be pushed to completion in 90 days. Approximately 125 miles of highway in Pecos county within a radius of 39 miles of Fort Stockton will be provided through a \$150,000 bond issue recently voted by a majority of 210 to 47 in a district in which two previous bond issues had been voted down. Voters are coming to see that progress and good roads must go together.

Giving Good Advice

"The dealer who recommends Texas granite to his customers, not only advances the interest of his own business, but also promotes one of the leading natural resources of the State," says the Llano News. The News is right, but hardly goes far enough. The Texans who recommends and uses Texas products of any kind in preference to those from out of the state is serving both himself and his state to advantage. Texans are too inclined to spend their money away from home and to act as though they believe Tex-

as products and Texas brains are inferior to others.

Fertilizing Pays

Bob Hice, who lives in Eastland County, is showing his neighbors how to farm. Last year he applied a mixture of 100 pounds of acid phosphate and fifty pounds of nitrate of soda to the acre of peanuts on nineteen acres at a cost of \$2.25 an acre. From this land he harvested forty bushels of peanuts to the acre, while an acre left in the middle of the tract unfertilized made only 24 bushels. On still another acre on which fertilizer had been used two years in succession he harvested 52 bushels. Hice's neighbors have gone into a pool to buy fertilizer this year.

Brady's Improvements

Brady's \$180,000 bond issue having been approved, that enterprising 'Heart of Texas' little city is going to start on an era of street, water works and general improvements, including a \$30,000 city hall and fire station. Brady plans to keep on growing.

Tenant Makes Money

East Texas tenants who know how to farm can make money at it. Rufus Bates, a Wills Point tenant farmer, cleared more than \$3,000 last year on a 42 acre farm with a three mule team. He raised 19 bales of cotton, 400 bushels of corn and 440 gallons of ribbon cane syrup besides fruit, vegetables and poultry. Nothing unusual about this—just sensible, diversified East Texas farming.

Slaton Hatcheries

A 'Slatonite' who reads this column in his 'old home town paper' writes me that poultry raising is 'hitting that section about right,' and that there are in Slaton two hatcheries with a combined capacity of 40,000 eggs. The lower Plains country is fast becoming noted for its dairying and poultry raising.

Pampa's New Railroad

Pampa is elated over prospects for a new railroad line from Cheyenne, Okla., to Pampa, a distance of approximately 92 miles. A citizen committee has made a tentative contract with Frank Kell of Wichita Falls, for 29 miles of the right of way. The development of North Texas is attracting railway capital as it has not done for many years.

Strawberries Are High

The sale of Florida strawberries on the San Antonio market at \$1.10 a quart carries a suggestion that there is little or no reason why South Texas might not have sold those berries with the precaution to guard against unusual cold spells that is evidently used in Florida.

Briggs Votes Bonds

By a vote of 410 to 19, Briggs, in Burnett county, joined Marble Falls in voting for a bond issue to build the Airline Highway link through that county. This highway, as proposed will intersect the State on an almost direct North and South line.

Legion Convention Plans to be Made February 7 to 9

San Antonio, Tex., Feb. 1.—Plans for the National convention of the American Legion Auxiliary here October 8 to 12 will be worked out by national officers of the organization in conference here on February 7 to 9 with members of the American Legion national convention bureau, local committees, city officials and state and local officers of the Auxiliary.

Mrs. Irene McIntyre Walbridge, national president, and Mrs. Lucy P. Boyd, national secretary, will arrive in San Antonio from Indianapolis on the morning of February 7. Mrs. Beulah Hardin, of Harlingen, president of the Texas Auxiliary and Miss Ada May Maddox of Austin, its sec-

BREAK CHEST COLDS WITH RED PEPPER

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feed a bad cold loosen up in just a short time.

"Red Pepper Rub" is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into colds, congestion, aching muscles and sore, stiff joints relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known. Always say "Rowles."

retary, will also be present. Mrs. W. D. Hood, president of Alamo Unit here, will head the local group in conference.

Mrs. Walbridge's party, accompanied by the local committees, will visit disabled veterans of the World war at the veterans' bureau hospital at Keerville on February 7.

February 8 will be given over to convention conferences and to a round of official entertainment here. Mrs. Walbridge will be the guest of honor at a luncheon given by the Legion. In the evening there will be a dinner, attended by city officials, representatives of the Chamber of Commerce, leading citizens and Legion and Auxiliary members from San Antonio and surrounding towns.

Conferences on convention arrangements will continue on the morning of February 9. Nat M. Washer, general convention director, will participate in the conference.

A tour by Mrs. Walbridge's party and the local committees to the old missions and other points of interest in San Antonio will conclude the visit of the national officers to San Antonio. Mrs. Walbridge and Mrs. Boyd will go from here to El Paso.

Jones Prairie News

Mrs. J. A. Peel and Mrs. Dot Harlan of Port Sullivan were visitors in Cameron Monday.

Misses Lois and Mary Randolph

and Mrs. I. Werner were visitors in Waco last week end.

Mr. and Mrs. Niley Smith and family of Branchville were in Cameron for the Abraham Lincoln play Thursday night.

Mr. and Mrs. W. G. Buchanan of Waco visited his aunt, Mrs. Tom Randolph last week.

Mrs. C. E. Porter of Branchville and daughter, Mary Ruth spent last week in Cameron.

Misses Dorothy Blaylock, Corrie Collier and Frances Hause of Belton, Baylor College spent the week end with their parents.

Mrs. B. J. Baskin is having her home near the city park remodeled and when completed with modern and attractive in every respect.

Mrs. J. G. Vest is this week moving into the two story house of the late Idella Green, across the street from her present home.

Mrs. Tom Randolph visited her niece in Dallas last week, Mrs. C. E. Mitchell, who had the misfortune of breaking her arm in three places. Mrs. Mitchell will be remembered as Miss Abbie Buchanan.

NERVOUSNESS

Sleeplessness, Neurasthenia, Nervousness, Neuralgia, Nervous Dyspepsia, Nervous Headache,

DR. MILES' NERVINE

Your ability to think clearly, remember correctly, sleep well and to enjoy life depends on the condition of your nerves. Don't neglect them. Nervousness may lead to ill health.

Dr. Miles' Nervine is a reliable nerve medicine used successfully in nervous disorders for nearly fifty years. Your money back if the first full size bottle fails to help you.

A generous sample for 5c. in stamps.

Dr. Miles Medical Co., Elkhart, Ind.

Smile and the World Smiles With You

A visit to our store for one of those cool and sparkling sodas, or a dish of our famous ice cream will make this old adage a verity.

Stunt Night Feb. 10 Yoe High School

The Fourth Annual Stunt night will be held at the Yoe High School auditorium Friday evening, February 10.

This Stunt Night has come to be an annual affair at the high school and the people of Cameron are looking forward to one of the best programs that has ever been given at a stunt night program.

The four classes of the high school are in competition for the prize, which will be a beautiful picture and the winning class will then present the picture to the high school.

A full program will appear in the paper for next week.

Branchville News

The farmers have been progressing nicely with their work this pretty spring weather, but most everyone is anxious to see some rain.

Brother Jamison was here to fill his appointments Sunday.

The B. Y. P. U. had a very interesting missionary program Sunday night.

We were glad to have so many Walker's Creek people with us Sunday night and appreciate their help in the services and hope they will come again.

The Calvert tennis team came over last Thursday afternoon and played tennis with Misses Sarah Harlan and Dorothy Foster. Our girls played them a tight game, the score being a tie but if they continue to improve will soon be champions.

Mr. and Mrs. Frank Harlan and little daughter were week end guests in the home of his father Mr. A. Harlan. They had not been here for quite a while and everyone gave them a warm welcome. Mr. Harlan went to Houston in 1925 and secured a position in the Ford plant. He has had several promotions and likes his work very much. His friends are very glad to know of his success.

Mr. C. E. Porter is in Cameron on the jury this week.

Messrs. Voss Harlan, Joe Foster, Roy Yates and Ervin Harlan were in Cameron on business Monday.

Miss Raley went home for the week end.

Mrs. C. E. Porter and daughter, Mary Ruth went to Waco Saturday.

Mr. Walter Henson has been quite ill but is some better.

There was a literary program at the school house Friday night.

The officers of the B. Y. P. U. had a business meeting Monday night.

Mr. Hugh Looney and family from

Bryan were here visiting relatives on Sunday.

Miss Kathryn Harlan is home from a visit to Houston.

Most everyone here attended the funeral of R. B. Mayes Sunday.

As You Like It

The As You Like It Club was very pleasantly entertained by Mrs. Geo. A. Thomas at her home Wednesday afternoon from three to five o'clock. Each guest was bidden to bring her handwork and a merry good time was enjoyed chatting and sewing.

Several Valentine contests were enjoyed. Each one was given a postal card and asked to compose a Valentine verse and given out among the guests. This caused much merriment. The hostess was assisted by Miss Clara Thomas in serving stuffed crabs, pear salad, cracker and charlotte rouse.

Birthday Dinner

Mrs. M. W. Longmire, gave a birthday dinner at her home in Gause Sunday, honoring her husband, Mason Longmire and sister, Mrs. Giles Pugh of Cameron, whose birthdays are only a few days apart. They received many lovely gifts.

The following enjoyed the dinner: Mr. and Mrs. J. T. Timmons and mother, Mrs. M. F. Hines, J. M. Timmons, Miss Ima Harcastle, Bernice Jeanne Longmire, the attractive little daughter of the home, Mr. and Mrs. Giles Pugh and Dalton Pugh of Cameron.

Teachers' Examinations

The examinations for teachers' certificates will be held in Cameron next Friday and Saturday, February 3rd and 4th and applicants who have filed their names with the County Superintendent before January 20th will please meet at the Ada Henderson building at eight o'clock Friday morning. Only second class certificates can be secured by taking these examinations and no permanent certificates can be secured except by taking college training.

Boy Singer In Solo "Calvary"

A young boy of eight whose voice is reported to be one of unusual promise, will sing the very beautiful and exacting song, "Calvary" by Rodney at St. John's cathedral, Sunday morning at eleven o'clock service. The boy's name is John Guffey, and his voice is said to be one of the best solo voices in the Southwest in respect to range, quality and accuracy. He is said to sing with much earnestness and soulfulness. Mr. George Geake, who directs the boys choir of the cathedral and who considers John a rare find, promises that all who hear him are sure to be delighted with his singing. The public is cordially invited to the service Sunday morning.—New Mexico State Tribune.

The above was clipped from the New Mexico paper. John Guffey is the grandson of Mr. and Mrs. J. W. Guffey of Cameron and the son of T. E. Guffey who lives at Albuquerque. The many friends here of Mr. and Mrs. Guffey will read this with interest.

Federation Meets

The Federation of Missionary Societies met for the quarterly meeting Tuesday afternoon at three o'clock at the Baptist church with 52 present. Mrs. Love, the president presided over a short business session, after which a very interesting program was given.

Miss Mildred Clinton gave a violin solo. Talks were given by ladies from the different churches on interesting topics of church work.

Evangelizing Methodists, Mrs. Henry Davis.

Work among Baptists, Mrs. Roy Law.

Girl's Friendly Society, Mrs. Roy Jeter.

Work of Dr. Killen in China, Mrs. Wallace Jones.

Mexican work by Presbyterians of Texas, Mrs. W. C. Ford.

During the year the ladies of the Episcopal church have had the largest per cent in attendance and were served with light refreshments by the other churches in honor of them.

A board meeting of the Federation will be held at three o'clock Friday afternoon at the home of Mrs. J. P. Love.

Treble Clef Club

The Treble Clef Club of Cameron of which Mrs. C. W. Bradbury is sponsor entertained the Treble Clef Club of Rosebud last Saturday at the home of Mrs. Ben Atkinson.

The program was given by the Rosebud Treble Clef Club. Miss Eulalia Aycock the president conducted the program. Miss Marian Green discussed the opera, Eli Trevatore and during her discussion a number of selections from this opera were played on the Edison. Piano solo, Kiri Virginia Cruse. Reading, Elinor Aycock. Vocal Solo, Florine Cruse. Reading, Louise Stocklas. Quartette, "Love's old sweet song," Marian Green, Eulalia Aycock, Florine Cruse and Evelyn Sewell. Piano solo, Evelyn Sewell. Cornet solo, Luta Pelham.

Mrs. John Albert Tarver and Mrs. Wiley, two former sponsors and Mrs. Powell Tyson the present sponsor were all present. Mrs. Roy Jeter, the sponsor last year of the Cameron club and Mrs. Bradbury the present sponsor were both present. Miss Florence Atkinson, acting as hostess to the visitors served sandwiches, cakes, hot chocolate and heart mints.

Program

Milam County Baptist Workers' Conference to be Held With the First Baptist Church of Cameron, February 6, 1928.

10:00—Rev. Odell Jameson, Devotional.

10:30—Rev. O. J. Cole, The Pastor, the Responsible Man.

11:00—Rev. R. W. Leazer, Temple, Address.

11:45—Round table and reports from the field.

12:15—Lunch.

1:15—Board Meeting.

1:15—Ladies Meeting, Mrs. O. M. Bean, president in charge.

Mrs. J. C. Martin, address.

Christian Aid

The ladies of the Christian church met at the church for a short business session presided over by Mrs. Jim Neinst after which Mrs. Ray Burke conducted a very interesting Bible lesson. A large number were present.

Bridge Party

On last Tuesday evening Basset Watson who is a valued employee of the Texas Power and Light Co., entertained the other members of the

office force and a few friends at bridge at the home of his parents, Judge and Mrs. John Watson. Flowers and ferns were used for decorations. After a merry two hours Mr. Young was found to hold high for men and Mrs. Groene for ladies. Mrs. Watson served a delightful salad plate with tea. Those enjoying this pleasant evening were: Mr. and Mrs. J. C. Young, Mr. and Mrs. C. A. Bean, Mr. and Mrs. Groene, Mr. and Mrs. C. E. McGregor, Misses Beatrice Reynolds and Lou Davis; Messrs Bob McLendon, Lester, Aiken and Bell.

Bits of Fun

"How much is a United States Senator worth?" asks a correspondent. It all depends on whether you want to buy or sell one.

President Coolidge was greeted by an immense crowd in Miami, and yet so far as known he didn't buy a lot.

Women seem to wear fewer clothes, but a married man still is limited to three hooks in the closet.

Correct this sentence: "Diamonds are so beautiful," said the girl. I'd wear one if they cost but a nickel each.

The advantage of occupying a house instead of an apartment is that you can't smell better dinners while eating yours.

Experts hold that the next war will be less than a month in duration. It'll be shorter than that if nobody in the country buys any bonds.

A Fair Exchange

"To soothe the spirits of students during examinations, organ music is played at Rutgers".

Exams had come again and now

The student sat dismayed;

His brain seemed dead no matter how

The classroom organ played.

No answers could he make or guess,

Though sweating like a Turk;

The more the organ droned the less

His feeble mind would work.

Then with a most explosive wham,

He cried, "I'm Willie Morgan

You come and take this here exam;

I'll go play your organ."

Epworth-Hi

Mrs. P. T. Ramsey who is sponsor for the Epworth Hi gave the members a delightful party at her home last Friday evening. Indoor games

was the diversion and at a late hour the hostess served hot chocolate and cake.

AN OLD RECIPE
TO DARKEN HAIR
Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Cameron Furniture Company
CAMERON, TEXAS

FROM THE FILES OF THE CAMERON HERALD TWENTY-FIVE YEARS AGO

Hon. T. S. Henderson spent several days this week in Dallas.

County Judge Pool was in Austin on business last Thursday.

Prof. J. C. Watts of Yarrelton, one of the best men in the county and a successful teacher, was in Cameron last week attending the institute meeting.

Dr. and Mrs. G. B. Taylor, Mr. and Mrs. Paul C. Tarver and children spent last Sunday in Burlington to attend a family reunion. Mr. and Mrs. Ike Looney prepared an elegant repast to which they invited all their children and grandchildren, and the occasion was a very pleasant one, which is always true of family reunions. Mrs. Taylor and Mrs. Tarver are daughters of Mr. and Mrs. Looney.

Married in Corpus Christi, January 27, 1903 at 7:30 p. m. at the home of Mr. and Mrs. Jas. Grant, Judge W. B. Hopkins officiating, Dr. Hiram H. Segrest of Corpus Christi to Miss Cleo Shuffield, formerly of Cameron.

The groom is mayor pro tem of Corpus Christi and is a popular gentleman. The bride, for the past year has resided with Mr. and Mrs. Grant.

Rev. James Kilgore returned to Georgetown last Saturday after spending several days with friends in Cameron.

Mr. A. M. Camp, one of the largest farmers on the San Gabriel, was in Cameron last Monday.

Thorndale is still coming to the front, and if that sidewalk bill before the legislature is made to cover all towns, maybe we will get out of the mud. (Taken from Thorndale News.)

A Valentine wish party will be given by the ladies of the Christian church at the residence of Mrs. F. J. Clement on next Friday evening a week, February 13, from 7 to 12 p. m. A cordial invitation is extended to young and old to attend and enjoy the evening together.

Fourth Millionth Chevrolet Is Made

Chevrolet Motor Company organized: Nov. 3 1911.
1,000,000th Chevrolet: Feb. 27, 1923.

2,000,000th Chevrolet: July 10 1925.

3,000,000th Chevrolet: Jan. 13, 1927.

4,000,000th Chevrolet: Jan. 11, 1928.

Detroit, Mich., Feb., 1.—Added impetus was given the swift pace set for 1928 by the Chevrolet Motor Company here today with the announcement by W. S. Knudsen, President and General Manager, that the four millionth Chevrolet unit rolled off the assembly lines of the Flint, Michigan, plant on January 11.

The record model, a 1928 coach, was built only 363 days after the three millionth car had been turned out at the same factory.

This brief interval between production of the two epoch making cars reveals the tremendous volume of the company the past year, when it was the world's largest automobile manufacturer, and shows the rapidity with which new cars now being built to supply dealers in all parts of the world with an adequate number for prompt delivery.

Production for the year just ended exceeded the program of a million units by 1,800 cars and accelerated production this January over January a year ago, necessitated by the splendid reception accorded the new line, made possible the building of the four millionth car two days less than a year after the three millionth unit had been produced.

Various dates in the life of the Chevrolet Motor Company on which

the millionth car mark has been passed furnish a graphic picture of the rapid strides made by the company to its position of leadership in the industry.

Nearly twelve years elapsed after its organization, on November 3, 1911, before the one millionth car was built. That record day was February 27, 1923.

There followed an interval of two years and five months before, on July 20, 1925,

There followed an interval of two years and five months before, on July 20, 1925, the two millionth car was produced. Between the two and three millionth cars was a period of a year and six months, the three millionth unit having been built on January 13, 1927, while from that date to the building of the four millionth unit was 363 days.

Like the three millionth car, the four millionth unit was equipped with a coach body. The one and two millionth models both were touring types.

Little ceremony attended the production of the four millionth car. Mr. Knudsen, C. F. Barth, vice-president in charge of manufacturing, and C. E. Wetherald, Flint plant manager, inspected it, and shortly afterward it went with the millions of others produced to date to the loading docks for prompt shipment.

Only a few seconds after the record model had left the production line, number 4,000,001 rolled off, and the ceaseless activity evident at all Chevrolet plants since the middle of December continued its record-setting pace.

Mrs. Baskin Entertains

Mrs. Arthur Hugh Baskin entertained very delightfully at the home of Mrs. A. H. Baskin, a large number of her friends last Thursday with a bridge party.

Mrs. Baskin chose for decorations the Valentine motif making the rooms of the home very gay and pretty with bright decorations. Streamers were hung from the chandelier to the four corners of the living room and from these streamers hung many novelty valentines. On the mantle and on the fire screen were hung a profusion of long grey moss. On the mantle also were attractive Valentines.

The dining table held a miniature

lawn swing hung from a red trellis and seated in the swing were two cupids. The swing sat in a carpet of moss. All lights were shaded and made to cast a mellow glow over this lovely setting for the party where seven tables had been set out for the games.

After many spirited games, the hostess assisted by Mesdames Roy, Julian and Gordon Baskin served a dainty salad plate with tea, which also carried out the color scheme. The plates were served in trays and centers of which were hand made candle holders with red candles that burned while the ladies were being served. These were given in the cuts to Mesdames W. A. Bonds, Eugene Green, J. C. Young, John Mack Bowman, Ben Baskin, Vernon Roberts and Miss Katherine Flinn. Miss Helen Flinn was awarded high prize for the afternoon which was a rose boudoir pillow. Low was given Mrs. C. W. Bradbury a novelty powder jar.

County B. Y. P. U.

The Milam County Associational B. Y. P. U. meets at the First Baptist church, Cameron, February 5th at 8:00 p. m. At this meeting it is probable that the Sunday Schools of the county will be incorporated in the organization. All Sunday School superintendents and members of the B. Y. P. U.'s are expected to attend. A good program is arranged. Mr. Dirk Vandervolk of Holland, a student in Baylor University will speak. Mr. W. A. Chisholm of Temple will also speak.

DISPLAY Piggly Wiggly Orchards

Few fruit trees have been planted in many years, and the supply of home-grown peaches, plums, pears, berries, figs and other fruits is far below the demand.

People will go twenty miles to get fresh fruit. The grower does not have to take it to market.

Back yards will produce enough fruit for town homes. Why not raise abundance of fruit at home?

We have sure-bearing varieties for every section. Ask for free catalogue.

We also make Beautiful Home Grounds.

Notice In Probate

THE STATE OF TEXAS

To the sheriff or any constable of Milam County—Greeting:

you are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas
To all persons interested in the Estate of H. R. Albert, deceased, Grover C. Albert has filed an application in the County Court of Milam County, on the 19th day of January, 1928, for appointment as administrator of the Estate of H. F. Albert, deceased, and for letters administration which said application will be heard by said Court on the 6th day of February, 1928, at the Court House of said County, in Cameron, Texas, at which time all persons who are interested in said estate are required to appear and answer said application should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron, Texas this 21st day of January 1928.

Lilian Atkinson, Clerk,
Co., Court Milam Co., Tex.

Notice of Sale

State of Texas

To the sheriff or any constable of Milam County, Greeting:

You are hereby commanded to summon Henry Shelton by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 20th judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said Milam county, to appear at the next regular term of the District Court of Milam county, to be holden at the court house thereof in Cameron, on the 5th day of March, 1928, the same being the first Monday in March 1928 then and there to answer a petition filed in said court on the 30th day of January 1928, in a suit, numbered on the docket of said court No. 9933, wherein Alice Shelton is plaintiff and Henry Shelton is defendant said petition alleging: A statutory cause of action for divorce upon grounds of 3 years abandonment with intent of permanent abandonment.

Herein fail not, but have before said court on the said first day of the next term thereof, with your return thereon showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County Texas.

Given under my hand and the seal of said court, in Cameron this the 30th day of January 1928.

Penn Wolf, Clerk,
4th District Court, Milam Co., Texas.

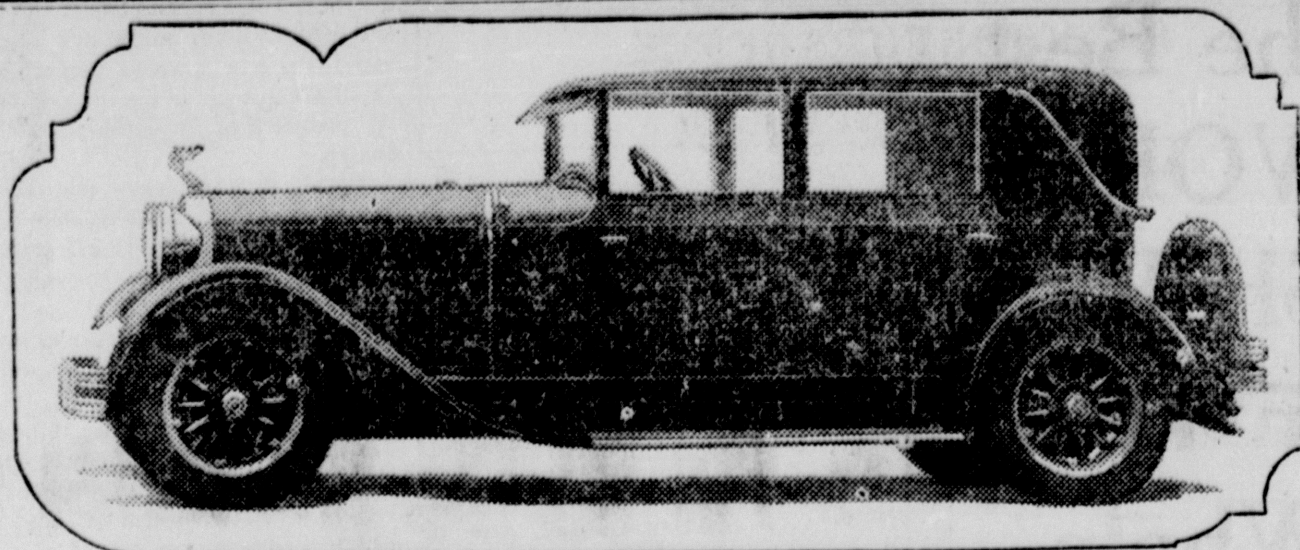

Bridge Club

Miss Jennie Brown was hostess Monday night at the home of her parents, Mr. and Mrs. J. F. Brown to the Monday night Bridge Club of which she is one of the popular members. The living room and dining room were decorated with potted fern. Three tables were arranged for the games and many games were enjoyed at the conclusion of which Mrs. Bob Brown was found to hold high score and was given a tapestry foot stool. Table cuts were novelty bridge pads and Misses Mary Burnett and Ruby Lengert and Mrs. Bob Brown received them. The guests for the evening were Mrs. Penn Wolf and Mrs. Bob Brown. The hostess served sandwiches, fruit salad, cake and coffee.

Young People's Service League, at 1:30 p. m.

Hudson Super-Six Landau Sedan

In its new line of custom-built cars, presented for the 1928 season, the Hudson Motor Car Company offers an innovation which will undoubtedly prove important. There are three of these models—the victoria, the 5-passenger landau sedan and the 7-passenger sedan.

All these cars were designed for Hudson in Hollywood Calif. by a firm which has specialized in special, exclusive bodies, none of which ever have been offered at less than \$5,500. A few months ago a number of these de luxe bodies were purchased by Hudson officials, and others, for their personal use. So different were they from models current at the time that Hudson determined on them as the basis for a special line of cars on the 127-inch chassis.

These custom bodies are built to ex-

press what Hudson terms "the vogue of tomorrow." The whole contour of the car is designed to express fleetness and modern style with a sport motive. Color schemes and mouldings are more daring than in Hudson's usual models. The front window pillars are slender in outline, while the outer rim of the windshield is brightly nickel-plated. Similarly, the window supports at the top of the doors are unusually trim and are nickel-finished. This is said to improve vision from within the car and to assist an impression of smartness.

The rear quarters of these cars are covered with landau leather, which comes down from the top in an unbroken surface. Car interiors are fully and richly finished in de luxe style.

These cars are being manufactured for Hudson in Amesbury, Mass., by a

firm of custom builders whose total capacity has been contracted for by Hudson. The construction is of hand hammered aluminum panels and selected hardwood. The use of aluminum instead of sheet steel permits the obtaining of distinctive and subtle body lines and saves the weight of one passenger.

Hudson's big production program at this time of the year is declared the result of the reception of the new Hudson-Essex line. From reports the country over, this is said to have been the most favorable of any line of cars in the company's history, despite generally cold weather. In Detroit, since the introduction of the cars, retail sales have exceeded 100 cars a day—or about triple the normal rate.

Methodist Church

Quite a number last Sunday promised to invite someone else to come to the evening services at the Methodist church. Perhaps some who read this announcement will be approached by some one. The text Sunday night will be "I was glad." The pastor will name the excuses for not attending church which is hardest to answer. If you are hunting the unanswerable excuse it will be worth your time and effort to come. In our song service we will sing the Gypsy Smith song in the Gypsy Smith way.

Sunday morning is communion. The pastor will continue the series of sermons on Providence discussing Providence as related to material things. Of course our splendid choir will perform at both services.

We made a fine gain in Sunday school attendance last Sunday over the previous Sunday. Let's make next Sunday bigger still.

Both the Senior and the Epworth-Hi Leagues are showing a hopeful interest. Workers in both want all of the young folks to join them at six o'clock Sunday night.

Now Enjoys Eating Thanks His Wife

"For years I suffered with stomach trouble. Then, my wife got me to take Adlerika. Today I feel fine and eat what I like."—Wm. Opp.

Adlerika relieves stomach gas and sourness in TEN minutes. Acting on BOTH upper and lower bowel it re-

moves old maste matter you never thought was in your system. Let Adlerika give your stomach and bowels a REAL cleansing and see how much better you feel. It will surprise you. Pace Marshal Drug Co.

Basketball Tournament Here Fri. and Sat.

The Milam County Basket Ball Tournament for boys will be held on the Lawless Green Field Friday and Saturday, February 3 and 4th.

This will be a meeting of the school teams of the county to determine the county championship which will represent this county in the district meet which will be held in Waco some time during the next two weeks.

The three strongest teams in the county seem to be Rockdale, Thorn-dale and the Yoemen, with the Yoemen having a slight edge over the other two teams.

Play will start at nine o'clock Friday morning and will continue all day. The price of admission for all the games Friday is 35c and 25c. The same admission will be charged for the games on Saturday.

Come out and see some good basket ball and help your team to win.

Stunt Night Feb. 10 Yoe High School

The Fourth Annual Stunt night will be held at the Yoe High School auditorium Friday evening, February 10.

This Stunt Night has come to be

an annual affair at the high school and the people of Cameron are looking forward to one of the best programs that has ever been given at a stunt night program.

The four classes of the high school are in competition for the prize, which will be a beautiful picture and the winning class will then present the picture to the High school.

A full program will appear in the paper for next week.

WE PAY \$1.20 dozen, sewing bungalow aprons at home. Spare time. Thread furnished. No button holes. Send Stamp. Cedar Garment Factory, Amsterdam, New York. 1tp

FIERY, ITCHY SKIN QUICKLY SOOTHED BY THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up.

A small jar of Rowles Mentho-Sulphur may be had at any good drug store.

THOMPSONS DAIRY

We have Registered Male for service at \$2.50. Cows must be brought to farm.

Can take care of a few more afternoon customers for milk. Our milk test shows higher than any other dairy.

FOUR SQUARE RURAL PLAN IS ADVOCATED

FARM AND RANCH COMMUNITY PROGRAM UNDERTAKEN IN THIS COUNTY

The Four Square Rural Community plan as fostered by Farm and Ranch is an effort to help build up the rural schools in the hope that instead of being the weakest part of the school system, they will become one of the strongest. In order that this plan may be carried to the rural sections of Texas, Farm and Ranch Publishing Company have engaged the services of competent men who are thoroughly familiar with the rural school problems and rural life in general, and to work with the County Superintendents, county agents, and home demonstration agents in perfecting this plan. This is a distinct service to the rural sections of this State.

This plan was tried in many Texas counties last year and every Four Square Community formed has already helped itself to better things. The plan stated briefly is merely joining into one team, all the state and county agencies whose services, in whole or in part, are intended for rural people and adding to that team the strength of the organized community itself.

The Four Sides of the Square represent: first, the school; second, the 4-H Clubs; third, the health programs and fourth, the organized community itself which is the Community Club. With the development of these four chief items, the school community is known as a Four Square Rural Community.

This is one of the greatest movements the upbuilding of every interest of the community, and it is for this purpose that H. L. Gantz, former County Superintendent of Comanche County and now Field Editor of Farm and Ranch, comes to Milam County. Mr. Gantz was in Cameron the first of this week and discussed his plans with County Superintendent, Mrs. K. Robins. He plans to return to this county, February 20th and at that time, meetings will be held at various points in the county in order to stimulate

interest and explain to the citizens the general plan of the work.

Homemakers Class

The Homemakers class of the Baptist church met in the annex Wednesday afternoon for a short business session. Mrs. Semi Burns, Jr., was elected as teacher for a period of 3 months in the absence of Mrs. Hutcherson who has resigned. The members voted to meet for regular business meeting on the fourth Tuesday of each month at three o'clock. Light refreshments were served by group four. Eighteen members and four visitors were present.

State of Texas

The State of Texas,
County of Milam,

Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Milam County, of the 25th day of January 1928, by Penn Wolf, clerk of said Court for the sum of Two Hundred Forty Nine and 19-100 Dollars and costs of suit, under a Judgement, in favor of A. J. Cook in a certain cause in said Court, No. 9869 and styled A. J. Cook vs. Henry Menley et al, placed in my hands for service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 26th day of January 1928, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: All that certain parcel or tract of land, being a part N. W. Bush survey in Milam County, Texas, as follows being N. W. corner of a thirty one acre tract conveyed by J. M. Cave and wife M. F. Cave to J. B. Newton & Sons, and being more particularly described as follows, Beginning at a rock pile in the eastern boundary line of the G. C. & S. F. Ry. Co., right away for S. W. corner of this thence with said railway right away line irregularly N 22 W 379 vrs to a rock for a corner with said right away line and the Caldwell and the Cameron public road; Thence with said Caldwell and Cameron road: S. 68 1-2 E 280 vrs. to corner; thence S. 21 1-2 W 240 vrs. to place of beginning, containing 5 9-10 acres of land more or less and levied upon as the property of Henry Menley and that on

the first Tuesday in March 1928, the same being the 6th day of said month at the Court House door, of Milam County, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Henry Menley.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand this 26th day of January 1928.

L. L. Blaylock, Sheriff,
Milam County, Texas.
39-31c Will Vaughan, Deputy.

Ah! Backache Gone Rub Lumbago Away

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Ah! Pain is gone! Quickly?—Yes. Almost instant relief from soreness, stiffness, lameness and pain follows a gentle rubbing with "St. Jacobs Oil." Rub this soothing, penetrating oil right on your painful back, and like magic, relief comes. "St. Jacobs Oil" is a harmless backache, lumbago and sciatica remedy which never disappoints and doesn't burn the skin. Straighten up! Quit complaining! Stop those torturous "stitches." In a moment you will forget that you ever had a weak back, because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from your druggist now and get this lasting relief.

T. E. L. Class

Last Friday afternoon the T. E. L. Class of the Baptist Sunday School held its monthly business meeting in the hospitable home of Mrs. J. D. Debbins, with numbers of her groups as hostess.

The business session was presided over by the president, Mrs. Bertha Brewer, who led the devotional. Mrs. Geo. McGehee, secretary of the class, read the minutes of the last meeting which were approved. The report on personal service and benevolence showed a large number of visits to the sick and shut-ins. Also food and clothing to the needy. A reporter was elected which completes the quota of officers for this class, who are striving to reach the Standard of Excellence.

Mrs. J. L. Denson, teacher of the class conducted a round table discussion on the class organization, with the duties of the officers and the work of the various activities fostered by the class, which was very interesting and instructive.

Mrs. Geo. Mangum read a beautiful poem which was an inspiration to every Christian mother, and we trust will help each member to render a more loyal service to the Master.

During the social hour refreshments of sandwiches, cookies and hot tea were served. One visitor, Mrs. S. M. Burns, Jr., was present.

Reporter.

Bridge Club

Miss Aetna Smith was hostess Friday at her home to the Bridge Club and a few invited guests. Bowls and vases of vari-colored flowers were used for adornment. Miss Aetna is a great lover of birds and has so many fine singers and these little entertainers, in their gay and beautiful cages were hung about the parlors.

Tables with all accessories were arranged for the games. Mrs. Vernon McIntyre, sister of the hostess, won high score and received a card holder and indicator. Mrs. Giles Avriett received for low a package of cards. Little Jeanette and mother, Mrs. McIntyre assisted in hostess duties. A dainty salad plate with tea was served on trays. On the centers of the trays were crystal baskets of japonica and jonquils.

Guests for the afternoon were Mesdames S. A. Cottle and Vernon McIntyre and Miss Elizabeth Rischard of Quincy, Ill.

Baptist W. M. S.

The ladies of the Baptist church met at the annex Monday for a fifth Monday birthday jubilee. The ladies whose birthday came in January, February and March were hostesses to the other ladies of the church. Mrs. C. W. Bradbury had charge of the program which was very interesting. Mrs. M. G. Cox read several appropriate and catchy readings. Miss Germusical reading and also a piano solo. Miss Cornelia Gunn gave several piano numbers. Mrs. Bradbury and Miss Mildred Clinton gave violin duets accompanied by Miss Cornelia Gunn.

The decorations for the rooms were red hearts hanging on the window curtains and several pots of cyclamen and ferns. Congealed salad with crackers and tea were served to about fifty. A love offering was taken.

Drink Water to Help Wash Out Kidney Poison

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

State of Texas

The State of Texas,
County of Milam,

Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Milam County, of the 25th day of January 1928, by Penn Wolf, clerk of said Court for the sum of Two Hundred Forty Nine and 19-100 Dollars and costs of suit, under a Judgement, in favor of A. J. Cook in a certain cause in said Court, No. 9869 and styled A. J. Cook vs. Henry Menley et al, placed in my hands for service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 26th day of January 1928, levy on certain Real Estate, situated in Milam County, Texas, described as follows, to-wit: All that certain parcel or tract of land, being a part N. W. Bush survey in Milam County, Texas, as follows being N. W. corner of a thirty one acre tract conveyed by J. M. Cave and wife M. F. Cave to J. B. Newton & Sons, and being more particularly described as follows, Beginning at a rock pile in the eastern boundary line of the G. C. & S. F. Ry. Co., right away for S. W. corner of this thence with said railway right away line irregularly N 22 W 379 vrs to a rock for a corner with said right away line and the Caldwell and the Cameron public road: Thence with said Caldwell and Cameron road: S. 68 1-2 E 280 vrs. to corner: thence S. 21 1-2 W 240 vrs. to place of beginning, containing 5 9-10 acres of land more or less and levied upon as the property of Henry Menley and that on the first Tuesday in March 1928, the same being the 6th day of said month at the Court House door, of Milam county, in the city of Cameron, Texas between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Henry Menley.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand this 26th day of January 1928.

L. L. Blaylock, Sheriff,
Milam County, Texas.
Will Vaughan, Deputy.

Cleaning Saves Buying!

It has often been demonstrated that garments kept fresh and spotless by frequent visits to the cleaner, last much longer than if allowed to become too soiled. Many kinds of stains, perspiration, grease and gritty dust, actually weaken fabric if not removed promptly, and clothes wear out sooner than they should.

Dry cleaning costs little and lengthens the life of your clothes.

EXHIBIT TRAIN HERE INSPECTED BY MANY

EIGHT CARS SHOW VARIED PRODUCTION IN FIELD AND INDUSTRIES

Three of the eight cars of the Texas Farm and Home Special shown here last Thursday carried exhibits prepared by the A. & M. College of Texas, pointing out the results of the latest experiments in Agricultural development and illustrating the benefits of improved methods in soil cultivation, livestock production, poultry raising, dairying home demonstration work and boys 4-H club work.

A special effort to interest women and girls was apparent in the numerous exhibits designed to bring to their attention ways in which house work may be made easier, health of the family improved and home life made brighter and happier. This group of exhibits filled almost one whole car.

One of these exhibits dealt with inexpensive and attractive styles of children's clothing all the garments shown being the handiwork of home demon-

stration club members. It was pointed out at this exhibit that the enrollment of women and girls in home demonstration clubs in Texas during 1927, totalled 33,549. Altogether these club members made 237,827 garments last year valued at \$712,596.

Another exhibit dealt with meal preparations, pointing out that a well planned pantry and selected equipment save both the time and energy of the housewife. An illustration of the growth of the work with home demonstration clubs for girls in Texas during 1927 was found in the legend on one exhibit announcing that 14,544 club girls in Texas last year learned through their club work to produce food, prepare wholesome meals, can fruits and vegetables, make their own clothes, improve their homes and keep records of their work.

One of the most striking exhibits dealt with the health of the family. One row of shelves, filled with bottles and packages of medicine, was labelled "Mrs. Never Well's Cabinet" while next to it another row of shelves was labelled, "Mrs. Everwell's Cabinet" and carried vegetables and foods that contain properties superior to the medicines in the preservation of health.

The increase in attractiveness to a home through the beautification of the yard with flowers and well-kept lawns, found expression in a display contrasting the difference between a ramshackle place a well kept house and grounds.

What may be done with gunny-sacks and rags was graphically illustrated in the exhibits of hand made rugs, work of home demonstration club members. Some of the most attractive rugs of the lot were made of gunny sacks. It is interesting to know that 13,500 pounds of rags were turned into \$15,600 worth of rugs in 1927 by home demonstration club members.

The car of livestock proved of much interest to farmers and livestock producers. This car, with the stock quartered in specially arranged stalls, contained hogs, sheep, baby beeves and dairy cows.

A Duroc Jersey sow, 2 1-2 years old and weighing 725 pounds was shown as a very profitable type of sow for the farmer. This sow, is the result of matings for large litters at the Animal Husbandry Department of the College and has herself produced 53 pigs in four litters in two years. Pigs from such a sow will reach market weight in less than six months of age.

Another exhibit showed contrast between a very desirable and a very poor type of feeder pig. Due to the possibilities of feeder pig development and to the interest of producers in more profitable animals, this exhibit proved of special interest. The point brought out was that the feeder pig must have a good frame. The poor specimen shown, a scrub pig, was eleven months old and still very small, though fat and weighed only about half as much as another pig a grade Hampshire five months old, not fat but growing and cited as a very desirable type of feeder pig which may be found in any of the popular breeds.

The effect of proper feeding with pigs was shown in the exhibits of two pure bred animals of the same age and from the same litter. One, fed all the kafir crops it would eat, weighed only 48 pounds as compared with the 152 pounds of the one which had received a pound a day of protein supplement in addition to all the kafir crops it would eat. This protein supplement to the ration has been found very practical for general use of feeders in all sorts of circumstances, since it simply calls for the addition to the grain ration, a pound a day per animal regardless of age or size of some feed high in protein and containing some animal proteins such as meat scrap. The idea was worked out by Mr. E. R. Eudaley, Swine Specialist of the Extension Service, who is lecturing on livestock at each place covered by the train.

Two types of sheep, Hampshire ewe, a mutton breed and Rambouillet ewe, desirable for both wool and mutton were shown as satisfactory types for the farm flock. An 85 pound lamb, about the right size for market was also shown in this pen.

Two baby beeves, a Herford 12 months old and weighing 870 pounds and an Aberdeen-Angus, 10 months old weighing 650 pounds were exhibited as illustrative of good breeding and good care. Specimens of good and poor dairy cows both Jersey and Holstein were shown.

Something of what 4-H Club boys of Texas are doing in Agricultural development was brought out in the exhibit showing how these boy farmers have improved yields in grain sorghum, cotton and corn. While the average yield in Texas of grain sorghum is 27 bushels to the acre, club boys have produced 40 bushels. Against the average yield of 128 pounds of lint cotton to the acre, the boys have raised 220 pounds; and in corn they have produced 33 bushels an acre against the average yield of

22 bushels. All told, 18,615 farm club boys are enrolled in Texas.

The general agricultural exhibits each told a story of better yields thru improved methods. One dealt with the results of a summer pasture demonstration in Palo Pinto county in 1927, in which it was shown that cows without pasture milked 17 pounds daily at a grain feed cost of 30c while the cows on sudan grass pasture milked 22 pounds daily at a grain feed cost of 10c.

What the protein supplement ration can do in producing more pork with fewer bushels of corn was the subject of one very informative exhibit. Experiments have shown that where corn alone is fed, three bushels of corn will give a hog an increase in weight of 25 pounds, which means that such a hog pays 70c a bushel for its feed, while one bushel of corn fed with ten pounds of protein supplement will give a 25 pound gain with the hog paying \$1.55 a bushel for its feed. In the use of the protein supplement, the formula for which was contained in booklets distributed from the train, one pound a day to the hog is prescribed regardless of age or weight of the hog.

Relative cost of plant food in three grades of fertilizer was outlined in one exhibit.

Grain sorghum exhibited cited the fact that common seed yield 25 bushels to the acre while pure bred seed yield 33 bushels.

The value of crop rotation was stressed in various exhibits, the value of legumes in the rotation being given. It was pointed out that oats with sweet clover in rotation produced 1836 pounds to the acre and corn in the rotation with cowpeas yielded 21 bushels to the acre as against 15 bushels where no rotation was followed. These results were developed by the experiment station, A. & M. College of Texas. One exhibit pointed out that crop rotation of corn, cotton and oats doubled the profits over continuous cotton production in experiments at the black land station near Temple. It was also pointed out that rotation and clean cultivation produced a yield of 276 pounds of lint to the acre with only 6 per cent of the plants showing rootrot damage and giving a net profit of \$15.96 per acre, while cotton planted continuously showed 32 per cent of the plants damaged by root rot and yielded only 142 pounds of lint to the acre with a net profit of only \$7.33.

Poultry raisers found much interest in the exhibit showing the advantage of having good breeding in their flocks. In pens of this exhibit two pens were shown. One which laid only 6 1-2 dozen eggs a year at a cost of 29c a dozen was called by the speaker, "Mrs. Cackle Less" while the other, a good type white Leghorn, laying 15 dozen eggs in a year at a cost of 13c a dozen was introduced as "Mrs. Cackle More," a much more desirable hen than the poor layer. Another poultry exhibit emphasized the value of balanced feed showing that to produce one dozen eggs requires only five pounds of balanced feed that costs 13c as against 13 pounds of straight grain costing 26c to produce a dozen eggs.

Texas—A Great Dairy State

Texas is a great dairying state in the making. There are within its borders vast pasture lands which suffer not in comparison with those of Den-

School nurse says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping." Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.

mark—or Wisconsin. There are in Texas Jersey herds among the greatest in the world. There are feed-stuffs in more abundance than any where else on the face of the globe. There is climate favorable thruout the year. And there are farmers of the new school, who read, and think and diversify.

Thus says Wellington Brink in Texas Opportunities in a resume of affairs preceding and following the National Dairy Show in Memphis in connection with the TriState fair. Much valuable information is appended the preface from an interview with John W. Carpenter, President and General Manager of Texas Power & Light Company whose insight into the dairy problem reflects intricate research into relative facts. Among the things accredited to Mr. Carpenter are terse reminders of latent dairy possibilities as he admonishes Texas to realize "the value of the dairy cow to Texas development." Among other things he also says:

"Slowly, steadily, the consumption of milk is mounting. In 1920 the per capita consumption of milk in the United States was 43 gallons; in 1925, 54.75 and in 1926 it had risen to 55.3. Is there a literal saturation point? In all probability there is, no human being constituting an expanding sponge or elastic tank. But there are butter and cheese and ice cream and other by-products which constitute large and relatively virgin fields of consumption."

Then Mr. Carpenter turned for a moment from domestic markets—admittedly large—to foreign markets. He cast his eyes upon Bermuda, Barbados, Jamaica, Trinidad and Tobago; he scrutinized the consuming possibilities of Cuba and the Dominican Republic; he surveyed the Dutch West Indies, the British West Indies and the French West Indies. He saw the Haiti and the Virgin Islands from 1921 to 1924, consumed from 2,300,000 to more than 3,000,000 pounds of butter annually and from 1,700,000 to 2,400,000 pounds of cheese. And his knowledge of geography and trade relations satisfied him that Texas is in better position to supply these markets than is any other state in the Union.—Texas Opportunities.

Baptist Church Library

The young people of the B. Y. P. U. will begin soliciting funds next week to add to the library. Already a large number of books have been ad-

ded to the church library. A system for the safe-keeping of the books has been devised. A suitable library and reading room will be secured as soon as possible and a librarian will be elected.

Industrial Committee of Texas Plans Work

"Does Texas want the textile industry?"

That question was propounded to members of the recently created Texas Industrial committee at its organization meeting in Austin.

The question was then pretty well answered by its originator, John W. Carpenter, President and General Manager of Texas Power & Light Company, and chairman of the committee then assembled and is thus portrayed in Texas Opportunities.

"I believe emphatically that she does. In the first place, cotton mills and woolen mills are the natural industrial partners of Texas leadership in sheep and goats. As such, they will serve to promote both urban and rural prosperity, to diversify Texas development, to stimulate Texas prosperity. We want no failures in Texas. No good can come of abortive industrial experimentation. It is because success is assured in this state for properly managed textile enterprises that Texans, who have studied the situation, are eager for the relocation of mills within our borders."

Mr. Carpenter drove home his argument with statistics and left no doubt as to his decision, one formed after years of study of the textile industry which has established him as its leading champion in Texas.

Texas Opportunities discusses the committee at length. It analyzes such a body. It exploits the ultimate possibilities of the organization.

After generously complimenting the noteworthy work, the article closes with "The effort of the Texas Industrial committee will be to assist Texas to add another 'first' to the many 'firsts' that she already possesses—to help her to lead in textile manufacturing, just as she leads in agricultural production and just as she promises to lead in industrial output. Eventually the cotton mills and the woolen mills must locate themselves permanently in Texas. Why not now?"—Texas Opportunities.

CHEESE FACTORY IS OFFERED TO CAMERON

R. H. McINTOSH OFFERS PLAN TO BENEFIT CITY OF CAMERON

The establishment of a cheese factory in Cameron, similar to that at Round Rock, is being promoted by R. H. McIntosh, as chairman of the Home Industry & Factory Committee of the Commercial Club. This means much to farmers, especially those who own their own land.

The following estimate is based on price paid at the cheese factory at Round Rock. Most of the milk brought there averages 5 per cent or better in butter fat.

Two gallon cow 17.2 lbs., at 3 per

cent butterfat at 50c would be \$7.74 per month, \$309.60 per year.

Three gallon, same, \$11.61 per month or \$139.32 per year.

Four gallon, same, \$15.48 per month or \$185.76 per year.

Milk testing 4 per cent butterfat: Two gallon cow, 17.2 pounds, \$10.32 per month, \$123.84 per year.

Three gallon cow, 25.8 pounds, \$15.48 per month, \$185.76 per year.

Four gallon cow, 34.4 pounds, \$20.64 per month, \$247.68 per year.

Milk testing 5 per cent butterfat: Two gallon cow, 17.2 pounds \$12.90 per month, \$154.80 per year.

Three gallon cow, \$18.75 per month \$225 per year.

Four gallon cow, 34.4 pounds, \$25.80 per month, \$309.60 per year.

Cows giving less than 3 gallons when properly fed are soon discarded. A good herd of five cows giving 3 gallons each, should yield 149 pounds daily, five per cent butterfat at 50

cents would be \$93.75 per month or \$1,125.00 a year.

Cotton Report

There were 55,802 bales of cotton, counting round as half bales ginned in Milam county from the crop of 1927, prior to January 16, 1928 as compared with 68,251 bales ginned to Panuany 16, 1927.

Grover H. Albert, Special Agent

Notice In Probate

THE STATE OF TEXAS

To the sheriff or any constable of Milam County—Greeting:

you are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas

To all persons interested in the Estate of H. R. Albert, deceased, Grover C. Albert has filed an application in the County Court of Milam County, on the 19th day of January, 1928, for appointment as administrator of the Estate of H. F. Albert, deceased, and for letters administration which said application will be heard by said Court on the 6th day of February, 1928, at the Court House of said County, in Cameron, Texas, at which time all persons who are interested in said estate are required to appear and answer said application should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron, Texas this 21st day of January 1928.

Lillian Atkinson, Clerk,
29-3tc Co., Court Milam Co., Tex.

School nurse says
all girls should
know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping." Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Dr. J. C. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but experiments that risk with and endanger the health of infants and children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

In Use For Over 30 Years
The Kind You Have Always Bought
THE CENTAUR COMPANY, NEW YORK CITY.

Young Friend, --Listen

Young friend, had it ever occurred to you that if you remain where you are and continue what you are, that you will always be where you are and be what you are? It has, no doubt, but what have you decided to do about it? Consider the advice of America's greatest business men; they say a business education obtained in a good business college is the greatest aid to business success. This being true and you desiring to make a success and get the most out of life, you should write for our free instructive catalogue and begin in earnest to better yourself—read what Byrne training has done toward making some of America's greatest bankers, merchants, financiers, U. S. senators, court reporters and secretaries. Read the statements of girls and boys who worked their way through Byrne College and those who borrowed the money, as well as those who came from homes of plenty. This reading will open to you visions of success that will inspire you to action and in a short period of time, you will be where and what you would like to be. Fill in the blank below and mail for catalogue right now; this very minute make the start—the cost is a two cent stamp, the result may be thousands of dollars to you.

Name _____ Address _____
Byrne Commercial College, 1708 Commerce St., Dallas.

A Better Wash Job! At the Same Price!

You will be proud of the work we do washing cars. Your car will look spic and span without streaks or spots.

GREEN PRODUCE COMPANY

INDUSTRY HELPS AGRICULTURE BUILD UP THE SMALL TOWN

Decentralization of Manufacturing Brings Markets for Products Closer to the Farm—Gives Employment and Better Standards of Living to Rural Communities.

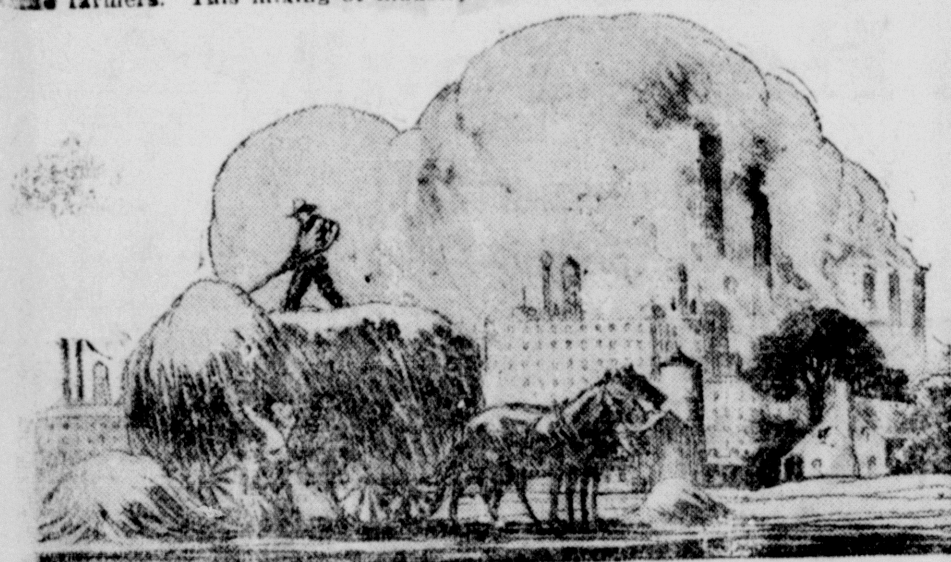

By T. R. PRESTON
President, American Bankers Association

NO class of people has been more diligent in trying to understand the agricultural problem than the bankers of this country. The agricultural problem is a real problem and demands the best thought of everyone. This country cannot continue along happy lines with only sections of the country prosperous. Prosperity must be passed around if anybody is long to enjoy it. This question cannot be solved by the farmers alone, but the majority opinion is that there is no legislative remedy for agriculture. It is an economic question pure and simple and must be worked out accordingly.

A few years ago it was contended that agriculture did not have sufficient credit facilities. That proposition was often made a political question. I do not presume there are many who will question the fact that agriculture now has ample credit facilities.

Mixing Farms and Factories

It is a fact that no community and no state has ever become great purely from agriculture. It is not to the interest of New York and other great centers to see the small communities and the agricultural sections losing their wealth and importance. In the end it will react upon them to their disadvantage. There seems to me a real remedy for these small communities and also for agriculture. This remedy, which is the mixing of industry with agriculture, is now being applied in many localities with satisfactory results. Industry and agriculture are better balanced in Ohio, North Carolina and Pennsylvania than in any other states of the Union, and in these states there is no serious agricultural problem and we hear little complaint from the farmers. This mixing of industry

Mixing Industry With Agriculture Means Prosperity for Rural Districts

and agriculture is called by some decentralization of industry.

I would not suggest that manufacturing institutions move from the cities to the small villages, but I do think it would be better for this country for future industries to be placed in these small villages rather than to be further congested in the great centers. This would in part also be a solution of our labor problem. The bringing of industries to small villages increases the market for agricultural products, gives employment to surplus labor, elevates the standards of living, increases public revenue, reduces taxes and vastly increases educational facilities.

Two Striking Examples

I believe I can give you two striking examples.

THE BANKER-FARMER MOVEMENT GROWING

There are several reasons for the growth of the banker-farmer movement in Pennsylvania. William S. McKay, Chairman of the Agricultural Committee, Pennsylvania Bankers Association, has reported to the Agricultural Commission of the American Bankers Association. The cooperation and leadership of the county agents in the several counties of the state; the appointment and functioning of county chairmen of agriculture, known as Key Bankers, one of whom there is in each county of the state; and the organization of county bankers associations, whereby agriculture is given consideration by all the banks, are responsible for this interest. The following table shows the activities for the year:

Project	Number of Counties
Sent young farmers to state college for special course	5
Encouraged farm shows	16
Held agricultural tours	6
Sponsored various club activities	38
Gave illustrated lectures on poultry, cow testing, and improved farm methods	1
Distributed purebred livestock, chicks, and disease-free potatoes	13
"There is probably no class of business men that has a greater opportunity for helpfulness than the bankers in this movement," declares Mr. McKay. "It builds up a substantial community which makes for better	

Mr. and Mrs. J. C. Wallace of Minerva saw the play last Friday night at Yoe High school.

Finland Calling For Karhunsaaari; Youth Country Needs Him

Finland is calling for Henry Karhunsaaari.

A letter from Jahn Tassaveinen written from Helsinki as secretary of the Athletic Association of that nation, makes the Finn a fine offer if he will return to his native land and take up his work.

Karhunsaaari who is to meet Waino Ketonen here on next Tuesday night has written expressing his regrets that he cannot accept the offer. He will remain in America.

Word of his success in Cameron have been read in that country thru the Cameron Herald, copies of which have been sent back to the native land.

Henry turns a deaf ear to the offer which includes all expenses and a salary to teach the youth of his country, although hard to turn aside, and begins strenuous work for his match with Ketonen.

Mrs. Triggs Honored

On Tuesday of this week Mrs. A. J. Triggs entertained with a Valentine bridge party in honor of Mrs. Albert Triggs who is soon leaving for her new home in Mincola.

The rooms of the home were profusely decorated in Valentines. Large hearts with shower of tiny hearts hanging in streamers of different lengths made adornment for the front door and the archway between the dining room as well as above the mantle. Silver baskets of lovely red carnations were placed on buffet and tables. On the dining table was a lawn swing made of hearts and in the seat of the swing was a dear little cupie. On the table were score pads and tallies in keeping with the Valentine motif. At the conclusion of the games Miss Rose Rischer received for high score a boudoir lamp and for low Mrs. Cottle received a deck of cards. The honoree received a dainty necklace and Mrs. McIntyre received for guest prize two lovely handkerchiefs. The hostess served on trays, the center piece of which was a Valentine centered with a crystal vase holding red carnations and ferns. The luncheon plate contained cream chicken, perfection salad in heart shape, bread and butter sandwiches, crackers, olives, coffee and red heart confections.

Mrs. Triggs again entertained on Wednesday for Mrs. Albert Triggs with six tables of 42. The same decorations and luncheon was used as on the previous day. Gift to honoree was a sterling silver vanity to match the necklace she received on Tuesday. Lovely corsages were table cuts and were received by Mesdames Roy Law, W. A. Bonds, J. M. Ralston, Tom Denison, Ashworth Page and John Watson. The hostess was assisted in serving by Mesdames W. A. Bonds, Ernest Green of Rosebud and Vernon Roberts.

J. R. Hays With Max Collins Store Here

J. R. Hays, formerly advertising manager for the Cameron Enterprise is now with Max Collins in the store department of the business.

Mr. Hays is retiring from the newspaper business, he declares, and will devote his time in the future to the dry goods business. His employment with the Max Collins store began on February 1.

Mrs. Ben Nabours of Calvert is in the Cameron hospital here for treatment. She is a sister of Mrs. W. T. Smith.

Play Is Success

The play "Three Wise Fools" given here last Friday night under the auspices of the Business and Professional Women was a success in every way.

The house was filled and every seat taken. The people enjoyed the play. The business women realized a neat sum of money from the play.

CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hacking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh—Relief comes so quickly.

Aged Citizen Dead

R. M. Morris, 94 years of age, died at the home of his daughter, Mrs. W. C. Phipps in the Little River Community Friday, January 27, 1928. Funeral services were held Sunday at 4 p. m. in the Little River church with interment in Little River Cemetery. Rev. P. T. Ramsey, pastor of the local Methodist church conducted the services.

Mr. Morris at the age of 94 years, two months and 24 days, had seen many years of active service as a school teacher and as one of the pioneers had contributed much to the progress of the county. He was a native of Georgia and is survived by his widow and children.

Pallbearers were: C. N. Carr, Hubert Thweatt, Leo Hawkins, Green Vaughan, J. P. Harwell and C. T. Dodson.

The Herald extends sympathy to the bereaved relatives.

Mrs. Virginia Haynes

Mrs. Virginia Haynes, 77, died at her home near Maysfield on January 27, 1928 of pneumonia. The funeral was held Sunday January 29th with the pastor of the Val Verde church conducting the services. Mrs. Haynes had lived in the Maysfield community for the past 17 years. She is survived by a number of children. Interment was in Val Verde cemetery with Green Brothers of Cameron directing the arrangements.

William Ruby Choate

Wm. Ruby Choate of Buckholts, son of Mr. and Mrs. Tom Choate, aged 24 years, died Saturday January 28, 1928 at 11:30 p. m. after an illness of only a few days. He is survived by his parents and brothers and sisters. Funeral services were held Sunday at Walker's Creek cemetery with Green Bros., directing the services. Interment was in Walker's Creek Cemetery at 3 p. m.

Negro Killed With Knife at Buckholts

Ernest Ford, negro, was almost instantly killed Saturday, January 28 at Buckholts in a fight in which he was cut to death.

Kelley Harris also of Buckholts, was placed under arrest by Sheriff Blaylock and deputy Guy Pope shortly after the killing and has been released under \$1500 bond.

Notice to Contractors

Sealed proposals addressed to Giles L. Avriett, County Auditor will be received at the office of Giles L. Avriett until 10:00 o'clock A. M., February 16th, 1928, for furnishing all materials, equipment and labor for constructing rest rooms for Milam county.

Bidders must submit a Certified check for 5 per cent of the amount of their bid payable without recourse to Jeff T. Kemp, County Judge of Milam county, as a guarantee that bidder will enter into contract and make bond within ten days after notice of award of contract to him. Bids without required checks will not be considered.

Plans and specifications may be obtained from the county engineer upon making a deposit of \$5.00, money to be returned when plans and specifications are received. Auditor, Milam County. GILES L. AVRIETT.

State of Texas

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

Notice of Filing Account
Estate of Deceaseds

The State of Texas,

To all persons interested in the Estate of Frank D. Dreher, deceased. Mrs. Myrtle Dreher, guardian has filed in the County Court of Milam County, guardian's final account in said estate and an application for discharge which will be heard at the next term of said court, commencing the first Monday in February A. D. 1928 at the Court House thereof, in the town of Cameron, Texas at which time all persons interested in said Estate may appear and contest said account, should they see proper to do so.

Herein fail not, but have you then and there before said court this writ, showing how you have executed the same.

Given under my hand and the seal of said Court at Cameron, Texas, January 14th A. D. 1928.

Lilian Atkinson, Clerk,
38-3tc Co., Court, Milam Co., Tex.

Four Mexicans Are Wounded In Affray

Three Mexicans were shot and another was slashed with a knife at a dance near Maysfield Saturday night. Sheriff Blaylock and deputies placed the men under arrest and all have been admitted to bond.
